AUTHORISATION STATEMENT:

I understand that LCANZ Professional Standards Department will endeavour to provide a safe environment for your child.

It is important to be aware that some topics covered in Safe Church Training may raise sensitivities for some participants. We need to be particularly sensitive to the impact of these on your child's emotional and spiritual wellbeing. This includes ensuring your child:

- is aware in advance that topics relating to abuse and grooming will be presented, and that they are encouraged to talk, sooner rather than later, to a trusted adult or medical professional about anything they find confronting.
- your child has an appropriate adult they can immediately confide in on the day of training or throughout the period they engage in online training. Ongoing support is also essential.

By signing this form, I confirm that I am aware of the sensitivities and responsibilities involved in supporting my child in engaging in LCANZ Safe Church Training.
